## **KENYA - EBOLA SITUATION UPDATE – By KENYA TOURISM FEDERATION (KTF)** **Validity Period: 2 June – 10th June 2026**

Following the last Ebola status Update issued on 28<sup>th</sup> May 2026, Kenya Tourism Federation will issue weekly updates to keep the Local Travel Trade and international Partners fully informed of developments in Kenya in this regard:

### **Current Situation:**

1. There continues to be **no** reported cases of Ebola detected in Kenya.
2. Surveillance and screening activities have been enhanced at designated points of entry with the list of countries that require to fill the Surveillance Form having been increase to 12. These includes all neighbouring countries in the East Africa region (*except Kenya*).
3. The existing public health measures that have been introduced, including the traveller surveillance continue to be in effect during the reporting period.

### **Outlook going forward:**

Kenya remains free of any active Ebola cases and Health authorities continue to closely monitor regional developments. Measures to ensure early detection and rapid response are in place, with health authorities on high alert.

### **Next Update:**

This update will remain valid until **10 June 2026**, unless significant developments warrant earlier communication.

*For timely information and assistance, the KTF- Safety Centre remains open 24/7. **KTF***
